

Disability Support Program (NDIS)

NDIS Registered Provider

Support Coordination

Our support coordinators are here to power your journey, connecting you to top-tier services and championing your personal growth every step of the way!

Home and Personal Care

Our passionate support workers do more than just assist with your home and personal care—they walk alongside you, teaching you new skills and boosting your confidence so you can live life entirely on your own terms.

Transport

We provide seamless transport so you can enjoy every journey with complete freedom and peace of mind.

Social and Community Participation

Our support workers make joining community activities easy, fun, and a great way to boost your social and life skills!

Discover even more ways to connect! We run activity groups for adults, and fun-filled school holiday programs for kids and teens. Reach out to our team to join the fun!

Empowered living starts with a team that truly understands you!

As a trusted, government-funded registered charity for over 30 years, our Centre is dedicated to helping our Chinese community thrive. Built by a team that shares your heritage, we speak your language—fluent in English, Mandarin, Cantonese, and regional dialects—so you can always communicate with complete ease and confidence. We get your culture, we know your needs, and we're here to champion your journey. As an expert NDIS registered provider, we don't just deliver top-tier support—we deliver care with heart, energy, and excellence!

We speak your language and understand your needs
