****封城6.0 延長****

維州州長安德魯斯因應近日最新 Delta 變異新冠的傳染性考量，今早宣布**墨爾本都會區**延長封城至**8月19日(星期四)晚上11時59分**。

居民出門**維持**五個理由，包括：

1. 必要或政府允許的工作
2. 照顧或照顧他人
3. 護理或自身安全理由
4. 2 小時外出運動
5. 打疫苗

維持 5 公里範圍限制

出行（購物與運動）不能超過

家5公里的範圍，例如在最近的超市購。如最近的商品和服務超過5公里的範圍，在這種情況下，可行駛至5公里外最近的商店或供應商。外出運動則每天不多於2小時。

私人或公共聚會將不會被允許，單人泡沫社交與親密伴侶將不受 5 公里限制。

超市，食品或飲品店，銀行，加油站和藥房等商店也將繼續營業。咖啡館和餐館將只能提供外賣。健身房，理髮店，社區設施和娛樂場所將全部關閉。非必需零售只能提供非接觸式取貨服務，不能進店。

出門無論到室外或室內任何地方均必須佩戴口罩。

政府也因應新州(New South Wales)目前的情況，由 8 月 13 日下午 6 時開始，所有合資格維州居民如欲通過維州與新州的邊境，均需要出示維州發出的許可證，而許可證可於本周四下午開始到維州服務部(Service Victoria)網頁內或其應用程式內申請。

Restrictions from 5 August 2021 (Thu) 8:00pm

Media Release

The Hon Daniel Andrews MP
Premier

Wednesday, 11 August 2021

EXTENDED MELBOURNE LOCKDOWN TO KEEP VICTORIANS SAFE

Due to the current level of community transmission of coronavirus in Victoria from the recent New South Wales (NSW) incursions, the current lockdown across Melbourne will be extended for another seven days.

Victoria's Chief Health Officer has declared that the current restrictions in metropolitan Melbourne will remain in place until at least 11:59pm, Thursday 19 August, to stamp out this Delta variant and keep Victorians safe.

Victoria's contact tracers have worked around the clock to contain this virus but today we still stand with 116 active locally acquired cases, nearly 300 exposure sites and more than 12,000 active primary close contacts around Greater Melbourne.

This is how quickly the Delta variant is moving in the community. It means we need to limit movement for a longer period of time – so contact tracers can get ahead of the virus, just like they have done before.

For the next seven days, you can still only leave home for five reasons: to get the food and the supplies you need, for exercise for up to two hours, for care or caregiving, permitted work or education if you can't do it from home or to get vaccinated at the nearest possible location.

Shopping and exercise must be done within 5km of your home or the nearest location. Face masks will remain mandatory indoors (not at home) unless an exception applies – this includes all workplaces, and secondary schools.

While the situation in NSW remains such a high risk to Victoria, we need to do everything we can to protect our border from further incursions, which put at risk everything Victorians have sacrificed to this point in the pandemic.

To help achieve this, residents of the cross-border community local government areas will now be required to obtain a permit to cross between Victoria and NSW from 6pm, Friday 13 August.

We know the changes to border rules have been a challenge for border residents, but the permit will improve our ability to track who is entering Victoria from NSW and make it easier to rapidly get information to contact tracers and to monitor for compliance.

The reasons Cross Border Community Area residents can cross the Victorian-NSW border still include:

- Necessary goods and services, including medical care
- Care or other compassionate reasons
- Work (whether paid or voluntary, including for charitable or religious purposes)
- Education (including childcare or early childhood services)
- Receiving a COVID-19 vaccination
- Organised/community sport and exercise connected to or organised by a club or facility.

Residents will be able to apply for a permit from Thursday afternoon at the Service Victoria website, service.vic.gov.au and via the Service Victoria app.

Quote attributable to Premier Daniel Andrews

“With more than 100 active cases in our community and more than 12,000 primary close contacts, we cannot afford to open up and let this variant run free – we need to get in front of this, just like we have done before.”

For more information call the coronavirus hotline on 1800 675 398 or visit coronavirus.vic.gov.au.

Quote attributable Minister for Health Martin Foley

“We want Victoria back to CovidSafe settings as soon as possible – and this our best option to get us there safely and quickly. Victorians can also help us achieve this, by getting themselves vaccinated as soon as they’re eligible.”

Quote attributable to Victoria’s Chief Health Officer Brett Sutton

“The Delta variant is more infectious and moving so quickly that we cannot take the risk of opening up too soon – this extension of the current restrictions will help us catch and contain it.”
